Within our region, Deb level must stay as an OPEN division on your TRF. In our region a transition year, use OPEN D & OPEN I for the 2000-2001 season. Remember when you go outside your region this may not be the case. It was originally for the AA Deb & Intermediate level. Jane suggests take it to the board and see if they will reverse their decision from A - down. ORA decision to affect all levels in local associations. Forward your concerns to ORA President. Check ORA web site for e-mail address. Do it tonight, before Board meeting.
